## VIGNAN - A BEACON OF LIGHT

Vignan, a pathfinder for many residential institutions is established in 1983. It has become a torchbearer to many other educational institutions in generating efficient doctors, skilled engineers, successful entrepreneurs and exemplary leaders for the last four decades. Vignan has spread its wings in the field of education with 20 schools, 6 Junior Colleges, 7 Engineering Colleges, 3 Pharmacy Colleges, 1 P.G College and B.Ed. College across two Telugu States in accordance with the righteous support of parents and students. Vignan which has imparted education from Nursery - Ph.D. reached its zenith by establishing a deemed University.

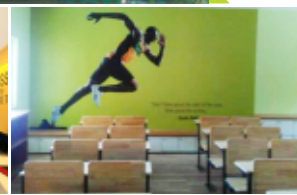

### Where we excel

- Our highly qualified and diligent lecturers plan meticulously in helping the students to reach the pinnacle in the national level exams like : EAMCET BITS, NEET, JEE MAIN AND ADVANCED, in a stress-free environment.
- CBSE +2 and Intermediate classes are conducted in pleasant and spacious classrooms.
- Limited strength of 40-50 students is maintained per class.
- Study hours are conducted by the same senior lecturers who teach the students in the class, but not by tutors.
- Our hostel facilities are cozy and comfortable. Students relish the food which is delicious, hygienic and nutritious.
- To exhilarate the students physically and emotionally, we train them in various outdoor games like cricket, football, volleyball, basket ball etc. and indoor games like chess, carroms etc.
